NUMBER 39

Annual Red Cross Drive Next Week

From the beginning of this global war, the Canadian Red Cross has, through the support of its loyal volunteers, shouldered the responsibility of caring for the wounded and needy; bringing comforts and supplies to the Armed Forces, seeing to it that dried blood serum is available on all battle fronts, and turning out clothing and surgical supplies in astronomical quantities.

Now, with the most critical phase of war looming up, there is a call upon the energies and resources of Canadian Red Cross workers, unique in all history. It is not only for the crisis at hand, that vast preparations must be made, but for the aftermath.

For Canadian Red Cross services, contrary to some erroneous belief, will not ease down after the battle is won — the Armistice signed. In reality the drain upon resources will be increased many times over.

This is not like the last Great War, when some of the countries in Europe went unscathed. Europe is devastated — ravaged — stripped of its possessions as by a swarm of locusts. The peoples of Europe are homeless. Their possessions are what they can carry in their pocket — or a pitiful little bundle. They have nothing.

Not one item of supply turned out by Canadian women volunteers in Canadian Red Cross workrooms shall go to waste. Every smallest strip of material available will go toward the making of clothing and hospital supplies, and all the manifold necessities of just everyday living.

The Canadian Red Cross next week will ask for Ten Million dollars. This money will be dispensed with scrupulous care. It will be made to go a very long way. When you give — give for now — and what comes after. Canadian Red Cross needs your help. Be Generous!

Pres. Heber F. Allen. Mrs. Fanny Walker. Miss Kathryn Allen and S. I. May visited the Wrentham branch Sunday last on a missionary appointment.

Paul Moreland and Alvin Jones made a trip to Edmonton Friday on Hospital business and from what we can learn many of their questions were still unanswered when they returned home.

GOLDEN WEDDING OF MR. AND MRS. GEORGE FROMM

Residents of Raymond for the past 26 years, Mr. and Mrs. George Fromm marked the 50th anniversary of their wedding on Monday, February 21. They were married in Dapstadt, Germany, in 1894, and emigrated to the United States in 1907, where they lived in Salt Lake City before coming to Raymond in 1918.

Two of their five children are still in the United States, George Fromm, Jr., in Salt Lake, and Hyrum in the U. S. Army Air Force, Residing in Raymond are Moses, Mrs. H. P. Schneider and Mrs. Delbert Olm. The couple also have 14 grandchildren and three great-grandchildren. The occasion was marked by a family dinner at which all their descendants who live in Canada were present. The couple were the recipients of many beautiful gifts.

NEWS NOTES

Ray Zemp of the Navy was a visitor in Raymond for a few days this week.

Percy Gregson of Cardston was a Raymond visitor Thursday.

Ross King, LaMar Seoville and Garth Galbraith were on a fishing trip to Lake Newell this week.

Mrs. Jos. McLean and Mrs. L. J. Hawkins are attending the annual meeting of the Red Cross in Calgary, representing the local Red Cross unit.

James Weaver of the R.C.A.F. who has been at Toronto since joining up is now stationed in Lethbridge and spent the weekend at home with his wife and children.

Mrs. Evans Sabey entertained Thursday afternoon in honor of the fifth birthday of her daughter Evelyn. The children enjoyed the afternoon in games and refreshments.

Elder Richard Neves, a nephew of Mrs. Louis Brandley and recently returned from the Eastern States Mission has been a guest at the Brandley home during the past week on his way home. He left this week for his home in Salt Lake City, Utah.

The Ladies Literary Club met this week at the home of Mrs. H. F. Allen, with Mrs. H. S. Allen as assistant hostess. Mr. Luella Taylor gave a review of the book "Claudia" by Rose Samkian. This review was very interesting. Visitors were Mesdames Leo Woolley, W. B. Neider and Rosemarie Slover. A delicious lunch was served by the hostesses.

ANNUAL MEETING OF SUGAR CITY M. D.

The Annual meeting of the Sugar City M.D. was held in the Town Hall last Saturday afternoon at 1 p.m. with a fair attendance of ratepayers present. When the meeting came to order J. Perry Barton of Stirling Barton of Stirling was elected Chairman and J. Sharp Henry of Del Boni was chosen Secretary.

The lengthy and detailed Financial statement of the District was presented by Sec. Treas. D. M. Holladay with necessary explanations. This report showed the District to be in excellent financial condition, with a very good record of tax payments during the year. A considerable amount of road work had been done and all districts had received a percentage of the work.

The Hospital question was discussed at considerable length. Paul Moreland of the Hospital Board was present and answered questions from the floor of the meeting respecting the progress of the Hospital scheme.

Nominations were called for, and Nels Peterson in District 4 and Sharp Henry in District 1 were elected by acclamation for another term.

For the Hospital Board, Paul K. Morland, present member was re-nominated and D. E. Wilde of Welling was also nominated. An election will be held in the district tomorrow to elect a Hospital member.

Raymond's Golden Opportunity

The National Physical Fitness Bill was passed during the closing sessions of the Dominion Parliament in 1943. It became law on October 1st 1943. This Act ends the need for the old Youth Training Program, Schedule F, that was administered by the Department of Labor. The New Act is administered by the Department of Pensions and National Health.

The Act provides that Provincial Committees be set up to co-operate with the Dominion Government in promoting a new health activity. The Alberta Physical Fitness Association was organized in Edmonton on Aug. 10, 1943. A constitution was adopted and the following executive elected to act for the first year. President: J.H. Ross (Present Director of Youth Training).

Vice-President: E. Hodgson. Executive members: Mrs. L. Binnie, Dr. A. Somerville, A. G. Andrews, C. Ready, and W. J. Van Orman.

This committee met in Edmonton on August 24, 1943, and drew up a program to submit to the Dominion Authorities. It included many phases of health but Mr. Ross went to Ottawa and found that the Department at Ottawa were stressing Recreation and Physical Training as the desired means to get National Fitness. Alberta was the first province to approach the Dominion with an organized committee prepared to go ahead with the work outlined in the Act.

Here is Raymond's opportunity

ity The Provincial Committee is prepared to get behind any local committee in providing clean healthful recreation for their community.

The National Fitness Act provides that a maximum of \$5,000 may be spent to provide a recreational center, or to remodel an existing center to make it suitable for the needs of the community. The Opera House is one of the best recreational centers in the province, but wouldn't it be fine to install a couple of two-way bowling alleys, a billiard room, ping-pong room, reading room, handicraft room, Y. T. Health Bath Room equipped with piano and jukebox for smaller dancing parties etc. These could be placed under the present building or additional room could be enclosed. These would be kept open and free to the people of the district. Standards of conduct would be maintained and we believe that it would prove a boon to the community.

The act provides for the training and payment of selected leaders to help the community carry out these Fitness and Recreational programs.

Centers of this type are being carried on successfully in many points across the line, and we could profit by their experience in setting up our program. If you feel that this type of a recreational center has a place in Raymond; do what you can to support committees selected.

(Contributed)

NEWS NOTES

A C.C.F. meeting was held in the Hungarian Hall last night. B. F. Tanner of Lethbridge was among the speakers.

A short Town Council meeting was held last week. One street had been closed and was sold to Jos. DeMeester and a lot was sold to Lyman Jacobs. A vote of thanks was tendered Councillor Ern Nilsson for his splendid work in the Council and the payroll was passed and ordered paid.

Clarence Allred and four other members of the High Priests Quorum went to Cardston Wednesday morning to spend the rest of the week at the Temple.

Mr. and Mrs. Geo. Fromm, Mr. and Mrs. Mose Fromm, Mr. and Mrs. Paul Schneider and Mr. and Mrs. Ivan Wilde were all at the Temple Wednesday this week. Mr. and Mrs. Geo. Fromm went by bus Tuesday evening to spend the week.

Hospital Board Hold Public Meeting

LIONS MEETING

Another meeting of the Raymond Lions Club was held in the Sugar Bowl Monday February 21st, with Pres. Golden Snow in the Chair.

"O'Canada" was sung with Lion Wm. Wilde offering prayer. Acquinted made up of the following members: Ken Baker, Mutt Ralph, G. Snow, Ira McBride and P. Moreland sang "Let the Rest of the World go by." These boys are open for engagements.

RUSSIA RELIEF

Sec. Dean Rolfsen read the open letter from the Raymond Recorder and Lions Rulon Dahl, and Ira McBride were appointed to represent the club at any meeting called on the above subject.

A letter was read from Ray Atwood in England thanking the Club for the Parcel sent to him at Xmas.

The Club decided in favor of the Rotary Club writing the Govt. re-Financial support for the advancement of Youths training in the town.

Lion Casey Veen played a few selections on his Piano Accordion with the boys joining in vocally.

Lion Jim Weaver of the R.C.A.F. who had been in the East for seven months was present and spoke to the Club. Jim will be stationed at Lethbridge in the future.

The meeting closed in the usual manner.

NEWS NOTES

Gordon Brawerton of Cardston was a Raymond visitor Tuesday afternoon.

"Lassie Come Home" was an outstanding picture and played to capacity houses each time. There were two shows Saturday night and the house was filled for each performance.

A large crowd attended the 1st Ward Green and Gold Ball last Friday evening in the Stake House. Miss Barbara Turner was queen of the evening.

Mr. and Mrs. Jas. H. Walker spent Sunday at home here and J. H. returned to Edmonton that night to be at the house sitting on Monday afternoon.

Those who have seen "Northern Pursuit" say it is a gripping story with sequences that will keep you on the edge of your chair. It is showing here this week-end and if you enjoy good drama you should see it.

There is an opportunity for ten or fifteen boys fourteen years of age or over to join the Air Cadet band and learn music. There is no better way of procuring a general knowledge of music than in band work. Attend the Cadet Parade at the High School Monday or Thursday evenings and get the details from the officers in charge.

The Rotary Club celebrated the 39th birthday of Rotary on Monday last. A lovely decorated cake with 39 candles centered the table, and T. Geo. Wood officiated with the knife on this offering. Ernie Jensen gave a talk on the birth and growth of Rotary, and Mrs. Edna had a display of the Grade IV room book. A sample couple of cups of tea and a sample cake. It was very interesting and instructive.

A meeting was held Wednesday night in the 2nd Ward Recreation Hall where questions regarding the proposed Hospital were answered and talks given in support of the movement.

A. W. Jones spoke on his recent visit to Edmonton and understandings reached with the Department of Health. He explained the loss of revenue from lands withdrawn from the district, but said that with the revenue from the Township and a half of new land added and the reduction in population of the district in the districts withdrawing, that Hospital finances would be sufficient at the present proposed mill rate when Contracts from non-property owners were considered. He stressed the community value of a Hospital for all of us.

S. I. May spoke briefly and mentioned the benefit to the many of a Municipal Hospital. Private Hospitals were alright for the few who were financially able to patronize and when there was accommodation to be obtained. A Municipal Hospital offered hospitalization to all and at a rate that all could afford to pay. Under the Municipal Hospital scheme many people were hospitalized for minor ailments, that resulted in complete and quick relief, where otherwise they would likely use home remedies and aggravate many cases.

K. L. Lee, member of the Town Council of Cardston spoke briefly regarding his knowledge of the Municipal Hospital as it relates to Town financing and said that it was one institution that caused the Council no worry. It was a fine asset for any community to boast of a Municipal Hospital and people of the Cardston district thought a great deal of theirs and would never think of being without its services. It had a very beneficial effect on uniting the district and attracting people to settle in the district.

W.D. Montgomery, Secretary of the Cardston Municipal Hospital answered a number of questions regarding the area of the district, valuation, mill rate, number of beds, etc.

Paul Moreland was Chairman of the meeting and the information given during the evening cleared the situation up a great deal and made some undecided people definitely decide in favor of the scheme.

Quite a number of people from Welling, Stirling and Card dock districts were in attendance.

ANNUAL RED CROSS MEETING

The Annual Red Cross Meeting of the Raymond Branch will be held in the Town Hall on Sunday night at 9 p.m. immediately after Church Services.

A report of the years activities will be given and a report of the recent Convention will be given by the representatives who attended. It is most urgent that a capacity attendance be on hand to hear these reports. This will be your meeting, show your interest and attend.

Miss Mary Wolfater of Calgary was a guest at the C. W. Selman home over the weekend. She is recovering from an appendicitis operation and was here for a day or two before returning to her work in Calgary.

RED CROSS DRIVE

Next Monday sees the opening of the Annual Red Cross Drive across Canada. The objective this year is \$10,000,000 and like other years this amount is likely to be well over subscribed. We at least hope so.

When one gives a moment's consideration to the far reaching and unselfish work of the Red Cross in all corners of the world, (ones should feel it an honor and a privilege to subscribe to the limit to assist in its wonderful work. Hardly a letter from a prisoner of war, hardly a word from returned men, who have seen action, but what the Red Cross is praised for its contribution to the comfort and the well being of these individuals. Think of the sweaters, helmets, socks, and other knitted goods, the sewed garments of every description worked up in the Red Cross work rooms and sent to the needy and suffering thru out the world.

Think too of the lives saved through the blood plasma, originally donated through the solicitation of the Red Cross. Hundreds of thousands of lives saved in the front lines through the life-giving energies of this plasma.

And so one could go on. These are just a few of the activities of the Red Cross. When you decide on your donation, don't think only of these items. Don't console yourself with the thought that because you or yours have not as yet needed Red Cross help, that you won't need it. At the same time, think of something of what the freedom, the peace, the plenty and security

GOVERNMENT NOTICE NATIONAL WAR LABOUR BOARD

Incorporation of Cost of Living Bonus into Wage Rates

THE ATTENTION of all employers in Canada, subject to the Wartime Wages Control Order 1943 (P.C. 9384), is directed to the provisions of the Order requiring them to establish for each of their occupational classifications, not above the rank of foreman, a single wage rate or range of wage rates as prescribed by the rules set out in Schedule "A" of the Order by adding to the previous authorized single wage rate or previous authorized range of wage rates the amount of previous authorized cost of living bonus, and that such established single wage rate or range of wage rates shall be effective for the first payroll period beginning on or after February 15, 1944.

Employers who may not be paying previous authorized cost of living bonus as required by General Orders of the National War Labour Board, issued under dates of August 4, 1942, and November 3, 1943, pursuant to the provisions of the Wartime Wages Control Order, P.C. 9363, are required to include such amounts of cost of living bonus in the establishment of wage rates of their employees under P.C. 9384 effective for the first payroll period beginning on or after February 15, 1944, as stated.

ity that you enjoy today is worth, and donate something to ameliorate famine, pestilence and suffering on the part of those who have given so much that you may enjoy the blessings of today.

The most you can give to such a worthy cause is certainly none too much. Let's put it over.

APPRENTICESHIP TRAIN- ING PLAN ESTABLISHED BY DOMINION GOV- ERNMENT

Honourable Humphrey Mitchell, Minister of Labour, announces that an Order in Council approved recently gives authority to the Department of Labour to

extend financial assistance to Provincial Governments, in order to stimulate trade apprenticeship training. Dominion-Provincial agreements on the subject are provided for.

For the fiscal year 1944-45 the Dominion fund available for distribution among the provinces is not to exceed \$250,000. This sum will be raised to an annual \$1,000,000 for later fiscal years.

The planned Dominion assistance is designed to supplement regular industrial apprenticeship training. Apprentices, while working at industrial trades, will be subject to working conditions and wage rates determined by the province under the agreement, and will be paid by the employer in the usual way.

Each province must administer its share of the fund under

NEWS NOTES

C. W. Lamb and his crew are building a new home on the H. S. Allen farm west of Raymond.

The Jacks made a trip to Calgary last week to meet the Currie Army team and lost by one point on a foul shot in the last seconds of the game. It was a very evenly fought game and Golden said the Calgary boys were red hot throughout the game. Better luck next time Jacks.

Speakers at the First World Sacrament meeting Sunday evening were Elders J. H. Walker, Jas. E. Meeks and Wm. Nalder filling a Home Missionary appointment, and Elder Richard Noyes, visiting here on his way home from the Eastern States Mission, who bore his testimony and expressed his pleasure at visiting in Canada.

There was quite a lot of snow fell for an hour or two Sunday evening and Monday was cold and stormy. Tuesday, however, the sun was shining brightly again and the air was quite warm and pleasant.

Fireside was held at the A. W. Jones home Sunday evening when the M. Men and Gleaners Executive of the M.I.A. attended. Elder Rex Campbell, now of the U.S. Army and Gerald Melchin just recently released from a Mission were the speakers and gave very interesting talks on Missionary experiences.

In a letter recently received from Francis Schuman who is a prisoner of war in Germany, he reports himself as feeling fine and getting along alright. He received his next-of-kin parcel in due time and enjoyed it very much. In his letter he asked to be remembered to his many friends in Raymond.

Bob Brandley who is attending the Tech at Calgary, was home on a short visit over the week-end and returned to school Monday afternoon. He says he is enjoying his work very much.

Mr. and Mrs. Mose Fromm were Lethbridge visitors Monday last.

THE POWER OF YOUR HOME PAPER

The power of the weekly newspaper was amply demonstrated a few days ago when the Minister of Finance presented his budget to Parliament. Included in this budget was an appropriation of \$325,000 for expanded study by the National Research into industrial utilization of farm crops.

Chemurgy—the research into conversion of surplus farm crops to industrial uses—was practically unknown in Canada prior to 1938. In that year Cecil Lamont, representing the Line Elevator Companies, visited the principal research centres of the United States. His report convinced the Line Elevator Companies that a great field for expanded industrial uses for surplus farm products was possible thru scientific research.

The Line Elevators then pioneered a campaign for establishment of a Western division of the National Research Council dedicated to finding new industrial and edible uses for farm products. The weekly newspapers were solidly behind the advocacy of this plan designed to bring greater prosperity to agriculture. Their judgment has been vindicated. Today we find millions of bushels of wheat and other grains being used for industrial purposes. The reduction in the burdensome wheat surplus has strengthened the Canadian wheat price from 70 cents per bushel to \$1.25, plus what the participation certificates will finally bring the farmer. The farmer in which the weekly press has advocated what was merely an idea in 1938 has resulted in all political parties and farmers' organizations solidly supporting chemurgy. The Government is now making a substantial amount available to expand research into industrial uses for farm crops and has plans for the creation of Western laboratories of the National Research Council after the war. The power and influence of the weekly newspaper for good works is indeed great.

Motorists!

Apply NOW for your New Gasoline Licenses and Ration Coupon Books

On March 31, the present gasoline licenses and ration coupon books will expire. After that date no gasoline will be sold except on the presentation of a 1944-45 ration book.

In his own interests, every vehicle owner is asked to apply at once for a new license and ration coupon book for each of his vehicles. Application forms must be completed in detail.

Commencing April 1, under the 1944-45 rationing plan, the operation of which will be basically the same as that now in effect, all non-commercial vehicle owners will again be allowed a basic "AA" gasoline license and ration coupon book, containing 40 units for a passenger car, or 16 for a motorcycle.

Similarly, owners of vehicles eligible for a "Special" category, who can prove their need, will be granted an extra vocational allowance, fixed in advance for the year ending March 31, 1945. In determining the extra allowance—which will be measured to individual needs—the previous category and mileage of the car will not necessarily be an important consideration.

The extra vocational coupons will again be issued in books labelled "Special", and each book will contain not more than 60 units. To permit constant review of the needs of each category applicant, only one "Special" book, or portion thereof, will be issued at a time. The Oil Controller also has the right to refuse any application for a "Special" category, or to suspend any ration coupon book for an infraction of the regulations.

The shortage of gasoline is still acute. Do not apply for a "Special" category unless your need is urgent.

Gasoline for commercial vehicles will again be rationed. To assure themselves sufficient gasoline to carry on normal business activities after March 31, operators of commercial vehicles are urged to complete at once and in detail the required application for each of their vehicles.

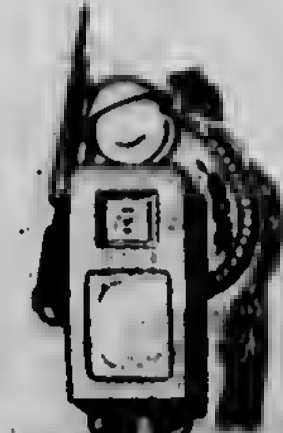

On and after April 1, service station attendants will not accept gasoline ration coupons unless the license plate number of the motor vehicle for which they were issued is written in ink on each coupon. Every motor vehicle must also display on its windshield a 1944-45 sticker indicating the category of the coupon book submitted at the time of the purchase.

If the owner of a motor vehicle sells, transfers or disposes of it in any way, it is his obligation to see that the gasoline license and ration coupon book for that vehicle is returned immediately to the nearest Regional Oil Control Office.

To obtain a gasoline license and ration coupon book, secure an application form at your nearest Post Office. Study the form and follow carefully the instructions contained therein.

When you receive your 1944-45 gasoline ration book, guard it carefully. Do not leave it in your car. If, because of your negligence, it is lost or stolen, it may not be replaced.

SEA-FEVER

By John Masefield
I must go down to the seas again
to the lonely sea and the sky,
And all I ask is a tall ship and
a star to steer her by,
And the wheel's kick and the
wind's song & the white sail's
shaking.
And a gray mist on the sea's
face and a gray dawn break-
ing.

I must go down to the seas again
for the call of the running
tide
Is a wild call and a clear call
that may not be denied;
And all I ask is a windy day
with the white clouds flying,
And the flung spray and the
blown spume and the seagulls
crying.

I must go down to the seas again
to the vagrant gypsy life,
To the gull's way & the whale's

way where the wind's like a
whetted knife;
And all I ask is a merry yarn
from a laughing fellow-rover,
And a quiet sleep and a sweet
dream when the long trick's
over.
